The Baba Chic Mosaic Collection from Country Floors proudly brings the highly esteemed cultural heritage of Tunisian artisans to the world of modern design. Our exclusive collection of 18 historically inspired patterns are completely hand rendered by a family of artisans who have been practicing this unique mosaic craft for generations.

Remarkable for their intricate beauty rendered in polychromatic geometric and floral designs, these works of art are made entirely from limestones and marbles indigenous to Tunisia.

Our Tunisian mosaics are suitable for residential and commercial interior wall and floor applications.
